RESOLUTION # 17-02

June 14, 2017

BE IT RESOLVED by the Board of Directors of the Tomales Village Community Services District that the TVCSD Sewer Regulation 108, "Rates and Charges" Section c. "Monthly Service Rates" adopted by the Board on July 9, 2000, and amended in June 2009 is hereby amended for fiscal years 2017-18 and 2018-19 and reads as follows:

c. "Monthly Service Rates

Effective July 1, 2017 a sewer service rate of \$72.45 per month per equivalent unit shall be paid by the owner of the land served. Effective July 1, 2018 a sewer service rate of \$81.90 per month per equivalent unit shall be paid by the owner of the land served. In the case of new construction, said rate shall commence when the house lateral for said dwelling unit is connected to the District sewage facility. Upon written notice by the owner in the event a structure is demolished by fire or otherwise removed from the land, an appropriate adjustment shall be made taking into account the reduced use but excluding any adjustment for infiltration inflow. Charges collected during the period that no structure existed, due to destruction by fire or otherwise removed, shall be refunded. The refund period, however, shall not be greater than one year and shall be measured from the date that the District receives written notice from the owner."

The following hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the Board of Directors of the Tomales Village Community Services District at a regularly scheduled Board Meeting held on June 14, 2017.
